

PRODUCT NO. 1642-1

DOTLUX LED tube LUMENPLUS 60cm 8W flesh color frosted rotating end cap

to the product page

SPECIAL LIGHT FOR BUTCHERY COUNTERS

- Shatterproof cover made of polycarbonate
 - Save twice: Electricity for light and cooling!
 - No heat load on the goods, which significantly reduces bleed and loss of goods
 - Prevents condensation in blister packs of fresh produce
 - Special red tones make meat and sausage products look fresh
 - This LED light is suitable for use in food processing plants.
- This means that it can also be used in areas that are certified according to the International Featured Standard (IFS) or British Retail Consortium (BRC).
