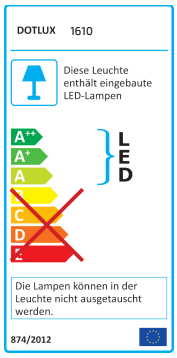
Datasheet for article

ArtNr.: 1610



Dimension width in mm: 22
Dimension height in mm: 50
: 35

effects: 4, preprogrammed
effect-speed: firmly defined
Input voltage: 12-24 V DC
IP- Protecion: IP20
Output current: 3x2
Output voltage: PWM-signal
Remote controller: infrared
Type of connection: clamp
Warranty: 3 years
