

PRODUCT NO. 1946-2

**DOTLUX Mounting adapter for recessed spotlight FLEXA. Installation opening is extended to 270\*180 mm.**

to the product page

- If you want to replace your old lighting but the old installation opening is too large, then this adapter is just the right mounting accessory for you. Simply slip the installation ring over the retaining clips and install it in the ceiling.
- No drilling or screwing necessary, therefore very time-saving and easy to install!
- Adapter ring dimensions:
- Maximum installation opening: 270x175 mm
- External dimensions: 285x190 mm
- Internal dimensions: 123x225 mm
- Color: white powder-coated
- Material: 2.5 mm aluminum
- It has never been so easy to replace your existing downlights!
- Thanks to the adapter ring, you can easily replace our LED recessed spotlights with your existing energy-saving lights.
